

## WHY SHOULD YOU COME TO THE JUNE 9 RETREAT?

Sometimes, at Center Church, we ask for your time to work on something, like making a meal for those in need or working on the building or being on a team. On June 9, we need you for something all together different. We need your *imagination*. We need your thoughts; we need your spirit. Most of all, we need your openness to God and willingness to enter into a *discernment* process. This retreat is not about *planning* anything, though ideas may come. It's about listening to each other, but primarily, to the Spirit of God. Join us from 9:00am-1:30pm at Hands on Hartford on Saturday, June 9. PLEASE contact Marie at the Church Office at (860) 249-5631 (ext. 209) to let us know you are coming by June 3. We will have a separate children's program, so PLEASE let us know if you will be bringing children and what age. Lunch will be provided.
