**Envisioning Center Church
in Partnership with our Community**
with Partners for Sacred Places

**Tuesday, October 17th
6:00pm – 8:30pm**

Partners for Sacred Places' staff will lead an inspiring and educational workshop to help us envision possibilities for community partnerships using our spaces.

All church members are invited!

The goals of the session include:

- Encourage the congregation to consider the Church House as an asset that can position the church to evolve and grow its role in its city during the years to come
- Enable the congregation to envision possibilities for the Church House
- Discuss space sharing basics and best practices
- Position the church to begin the discernment process and take steps towards establishing space-based partnerships

Pizza and salad will be served at the start of the session. RSVP to the Church Office by Friday, October 13th at (860) 249-5631 so we know how much food to order.

Come, let's explore growth possibilities going forward!
