“LOVE YOUR NEIGHBOR CHALLENGE”

Come with us on a journey to re-think “neighbor.” Our Lenten Adult Faith Formation program invites us to consider our blocks to fully loving all our neighbors. We will begin with a UCC program on *White Privilege*, go on to a special guest addressing loving our immigrant neighbors, remember and expand what it means to be an Open and Affirming congregation with our LGBTQI neighbors, and consider issues of gender.

The point of these explorations is not to invoke guilt, but to help us look at the people around us with different eyes. As someone once said, “It is not my fault that the system exists. It is my responsibility to examine how I am part of it now.”

Beginning Sunday, February 11, join us AFTER WORSHIP in the Church House Parlor from 12:00-1:30pm. Food and child care provided!
