From the Visionary Team

Fall Updates

The Visionary Team has identified three areas for our community to focus on in the coming program year, based on notes from our May church retreat:

- Increase the engagement of children in worship in multiple ways.
- Create a short-term Faith Formation Strategy Team to create a vision for our ministries with children and youth. The team would work starting in September, would make budget recommendations for the congregational budget meeting in November, and would report to the congregation at our Annual Meeting next spring. *We commissioned this working group in worship on Sunday. They will have their first meeting this week and will meet regularly through November.*
- Start a small group to move forward with exploring the creation of a 501(c)(3) that will help support our ministries with folks in transition. *This group held their first meeting this week. More updates to come!*

Many thanks to everyone who participated in the retreat and provided input and prayers in support of our two priority ministries! There is still time to join one of these working groups; simply email Lesley Morgan Thompson with your interest!

Celebrate 25 Years of ONA at Immanuel UCC

Our sister congregation, Immanuel UCC, is celebrating 25 years of ONA this year! To celebrate they've invited a number of speakers to join them. The first event is October 17, 2025 at 7 PM, and they've invited Attorney Jennifer L. Levi from GLAD Law.

Jennifer L. Levi is the Senior Director of Transgender and Queer Rights and a nationally recognized expert on transgender legal issues. Levi led the legal fight against President Trump's transgender military ban in both *Doe v. Trump* and *Stockman v. Trump*. Levi has also been a leader in working on harm reduction for incarcerated transgender people. Levi was co-counsel in two landmark marriage equality cases, winning the freedom to marry for same-sex couples in Massachusetts (*Goodridge v. Department of Public Health*, 2003) and Connecticut (*Kerrigan v. Department of Public Health*, 2008).

Through strategic litigation, public policy advocacy, and education, GLBTQ Legal Advocates & Defenders (GLAD Law) works in New England and nationally to create a just society free of discrimination based on gender identity and expression, HIV status, and sexual orientation.

A GHIAA Call to Action - Immigrant Protections

GHIAA

Greater Hartford
— Interfaith —
Action Alliance

This week, GHIAA was one of over 90 organizations who signed on to a letter to our elected officials, calling on them to prioritize protecting immigrants by passing specific legislative priorities in this fall's special session. These demands were also highlighted during our solidarity vigil last week in Newington, with over 500 people present and lots of supportive honking from drivers passing by on Main Street.

We need you to amplify this call by contacting Governor Lamont, Speaker Ritter, and Senator Looney, urging them to take action on this legislation in the special session, using the phone numbers and script below. You can also help by sharing the press release and letter linked above with your state rep and senator, urging their support of these priorities as well.

Governor Lamont: 202-640-5612

Speaker Ritter: 888-343-2060

Senator Looney: 888-726-3132

Please note, these are patch-through phone numbers that will allow us and our allies to track the number of calls placed. That's why they don't have CT area codes. But don't worry, these numbers will directly and immediately connect you to the respective offices. Using these will allow us to track our people power.

[Click here to download a script for when you speak to your representatives, Gov. Lamont, Speaker Ritter and Senator Looney.](#)

Thank you, as always, for showing up faithfully for the ongoing

work of justice.

Peace,
Jocelyn and the GHIAA Team

Join Us this Fall as we Thrive!

Seeking the Hart of God for A City Where All Can Thrive

Thrive: to grow vigorously; flourish; to progress toward or realize a goal despite or because of circumstances.

Study after study has presented reasons why churches in the United States are in a state of decline. And yet, there is a deep need for spiritual community and the Church to function well in our rapidly evolving world.

Dr. Ruth A. Fletcher researched hundreds of congregations and wrote a book entitled, *Thrive: Spiritual Habits of Transforming Congregations*.

In the book she presents words, images, and stories of how congregations transform into what were churches in decline or plateaued into thriving communities of faith.

This fall we will spend 4 weeks diving into her 4 major themes for transforming congregations: **Connect with the Spirit, Connect with Purpose, Connect with Community, and Connect with the World.** Together, we will imagine new ways for our community not just to survive, but to Thrive in the HART of this city.
