## ***From the Visionary Team*** ***Winter Updates***

**The Visionary Team has identified three areas for our community to focus on in the coming program year, based on notes from our May church retreat:**

- **Increase the engagement of children in worship in multiple ways.**
- **Create a short-term Faith Formation Strategy Team to create a vision for our ministries with children and youth. The group met**

and made budgetary recommendations for how to best fund our growing Faith Formation Ministries.

- Start a small group to move forward with exploring the creation of a 501(c)(3) that will help support our ministries with folks in transition. The group continues to meet regularly and hopes to make a presentation to the congregation on their findings and recommendations at the Annual Meeting in March.

Many thanks to everyone who participated in the retreat and provided input and prayers in support of our two priority ministries! There is still time to join one of these working groups; simply email Lesley Morgan Thompson with your interest!

### Where Do We Go From Here: Chaos or Community?

by The Rev. Dr. Martin Luther King, Jr. *from Beacon Press*

In 1967, Dr. Martin Luther King, Jr., isolated himself from the demands of the civil rights movement, rented a house in Jamaica with no telephone, and labored over his final manuscript. In this significantly prophetic work, which has been unavailable for more than ten years, we find King's acute analysis of American race relations and the state of the movement after a decade of civil rights efforts.

**JAN 15, 29 & FEB 12, 26**

*Sign up using the QR Code Below*

Discussions will take place at two week intervals to allow time for reading and to prepare for (what we hope will be) robust conversation & engagement with Dr. King's writing.

# GHIAA Winter Organizing Leadership Training

Our [Winter 2026 Organizing Leadership Training](#) is coming up soon and open to all! Join us to explore the fundamentals of faith-based organizing, practice the tools of relational culture (individual meetings and house meetings), consider how we build and wield power, share our process of identifying issues and developing campaigns, and build our skills for action. Please complete the [form linked here](#) to register.

Our winter training series will be held in person on **Tuesday evenings, 6:30-8:30 pm, Feb. 10, Feb. 16, Feb. 24, Mar. 3, and Mar. 10, at Temple Sinai (41 W Hartford Rd, Newington)**. Please note: this is a four-week training, but we are scheduling five weeks so we have a snow date if needed. While we understand that unforeseen issues may arise, we ask all participants to register with the intention of being present for all sessions of the training.

If you are newer to GHIAA and haven't yet been through training, this is for you. If you were trained a while back but could use a refresher, this is for you. If you are a clergy member or a lay leader, this is for you. If you know other members of your congregation/institution who could benefit from the skills and practices of organizing, this is for them, too.

For those who are newer to GHIAA, we ask that you participate in an orientation session before joining the training. You can register for that via our [online form](#) as well.

Please feel free to reply to me or reach out to your organizer with any questions.

Peace,  
Jocelyn and the GHIAA Team

## From the Center Church History Team

**THE TEACHERS' LIBRARY**  
AT CENTER CHURCH, HARTFORD, CT

**AMERICA 250 AFFILIATE**  
CONNECTICUT

Center Church's History Team is seeking members and community partners who are excited by the long history of Center Church and who are interested in connected to our community near and far through that history.

To name a few of the local partners with whom we're currently working - Trinity College, Hartford International University for Religion and Peace, the Harriet Beecher Stowe Center for Literary Activism, The Mark Twain House and Museum, Opera CT, Liberty Christian Center International, The Slater Museum in Norwich and of course, the Official Royal House of Sori.

We're also currently exploring partnerships with the Congregational Library and Archives in Boston, MA, Warburton Community Congregational Church in Hartford, CT, and Temple University.

In the coming months, the History Team will be finalizing its programming for Hartford's celebration of America's 250th Birthday. Center Church and the Teacher's Library are America 250 CT, working closely with the City's ad hoc commission as well as with the Statewide commission and are very excited to be a part of this inventive and expansive definition of what America is and can be for the

next 250 years. Watch this space for more information about America 250 CT - Hartford.

If making connections within Hartford and abroad and learning about our deep history speak to you, please do not hesitate to reach out the either [Andre Keitt](#), chair of the History Team, or [Brother Eric Hearst](#).
