**Blessings, Center Church!**

Happy Wednesday Center Church!

We have God's blessing to be SALTY, especially in a cold, ice-y world. In Matthew 5:13, Jesus says,

*"You are the salt of the earth."*

Not become salt, but you already are salt. The mandate is, "be what you are, be who you are called to be."

The thing about salt is that it only takes a little bit to make a big difference - a sprinkle on a chocolate chip cookie, for example, makes something wonderful absolutely sublime.

We are called to do what we can, in whatever way we can, for nothing is too small. In fact, it might be the littlest bit that makes all the difference.

Stay SALTY, beloved.

## **A Special Message from Outreach Director Carrie Howe**

We continue to operate extended hours as we are in Cold Weather Protocol until the freezing cold temperatures break. This means we will continue to have shelter staff and guests at 60 Gold Street beyond the overnight hours. If you know of or encounter someone who needs a safe place to stay during this timeframe, please share this information with them.

As members of the congregation you can support us to keep our guests fed. If you (or more than one of you) are able and willing to prepare food or help us to provide food that would be greatly appreciated.

Some foods that are easily prepared and shared include chilis, pasta dishes and sandwiches. For more information, about how you can help please reach out to Carrie Howe directly, either by email or by phone.

# From the Property Subcommittee Winter Updates

---

Warm Greetings Center Church,

For the last few months a small group has been meeting together to discuss a plan for addressing the more pressing structural issues related to our two historic properties.

A short but incomplete list we're looking at includes:

- Repairs and Maintenance to the Slate Roof
- Structural and Cosmetic Repairs to the Meetinghouse Roofline
- Drainage and Masonry Repair and Preservation at both properties
- Structural and Cosmetic Repairs to the main entrance of 60 Gold Street
- Water Damage to the south facade, basement ceiling and underground walls of 60 Gold Street

We have completed a survey of the damage with the help of architect Tim Brewer to identify potential Project Managers. We have also begun drafting a Request for Proposal and Qualifications (RFP/Q) to send out to these would-be contractors.

We expect to meet with engineers soon, who can advise and inform us as we move forward. As we move along on the process we will continue to keep the congregation updated. We are currently using Capital Improvement Funds to finance the preliminary stages of our project but as more information becomes available about the full scope and cost of the project, we anticipate fundraising efforts that include grant writing, outside donations and a thorough exploration of other revenue streams.

If you have any interest in joining the Property Subcommittee Working Group, please contact David Maclean or Larry Roeming.

In Faith,

The Property Subcommittee

**AGAIN & AGAIN**

**A LENTEN REFRAIN**  
**THE JOURNEY BEGINS FEB. 18**

[The ampersand] could represent our winding Lenten journey; the curves mimic the cycles of our faith ... the repetitive patterns that can both trap or ground us. Mostly, [it] emphasizes God's holy 'and.'

When we become weary from the motion blur chaos of our lives, God promises that there is always more to the story—death does not have the last word.

In the ampersand, in God's sacred 'and,' the chaos is contained, held, and transformed into beauty with the light of sunrise on resurrection morning."

## *From the Visionary Team* *Winter Updates*

The Visionary Team has identified three areas for our community to focus on in the coming program year, based on notes from our May church retreat:

- Increase the engagement of children in worship in multiple ways.
- Create a short-term Faith Formation Strategy Team to create a vision for our ministries with children and youth. The group met

and made budgetary recommendations for how to best fund our growing Faith Formation Ministries.

- Start a small group to move forward with exploring the creation of a 501(c)(3) that will help support our ministries with folks in transition. The group continues to meet regularly and hopes to make a presentation to the congregation on their findings and recommendations at the Annual Meeting in March.

Many thanks to everyone who participated in the retreat and provided input and prayers in support of our two priority ministries! There is still time to join one of these working groups; simply email Lesley Morgan Thompson with your interest!

**Film will be followed by a ZOOM Discussion with the filmmaker Tara Moore**

This film is an important reminder that oppression can happen if we turn a blind eye to its presence. From the onset of settler colonialism to the institutionalization of the Apartheid system, to the struggle for liberation in 1994, and finally to the current state of politics and class in the post-Apartheid world, Legacy offers an eye-opening and unapologetic look at the historical dynamics of this culture. Filmmaker Tara Moore offers complex depictions that shift our understanding of the scope and scale of Apartheid as an ideology and tool of social control.

### Where Do We Go From Here: Chaos or Community?

by The Rev. Dr. Martin Luther King, Jr. *from Beacon Press*

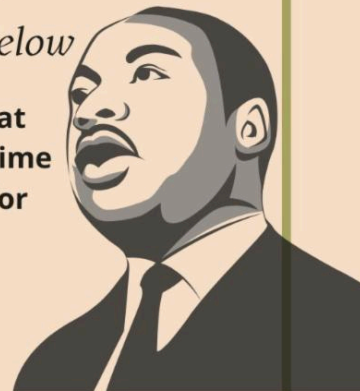

In 1967, Dr. Martin Luther King, Jr., isolated himself from the demands of the civil rights movement, rented a house in Jamaica with no telephone, and labored over his final manuscript. In this significantly prophetic work, which has been unavailable for more than ten years, we find King's acute analysis of American race relations and the state of the movement after a decade of civil rights efforts.

**GHIAA**

Greater Hartford  
— Interfaith —  
Action Alliance

## GHIAA Winter Updates

We have three action updates to share with you this week.

### 1. Progress on the Federal Response Fund

Last fall, legislators set aside \$500 million to respond to loss of federal funding for certain human services and safety net programs. Gov. Lamont has spent less than 40% of the money, and with time running out before the Feb. 4 deadline, GHIAA sent an **open letter** to the governor urging him to act on behalf of our communities. Today, leadership **announced a plan** to carry forward the balance of the fund for use this spring. This gives us and our many allies in this fight an opportunity to continue to keep up the pressure for meaningful state investment in human needs and for reform of the regressive policies that prevent it.

### 2. Protections against National Guard Deployment

- With the horrors occurring in Minnesota, Maine, and other places etched in our minds, it is urgent that our state take proactive measures to protect CT from federal overreach. One step we can take now is an executive order to place limits on the use of the National Guard for immigration enforcement purposes. **What you can do:Read the letter** sent in December by 45 organizations, including GHIAA, urging the governor to take action
- **Watch this webinar** recorded earlier this week to learn more about this issue
- **Use this action alert** from ACLU-CT to make your voice heard

### 3. Immigrant Solidarity Prayer Vigil

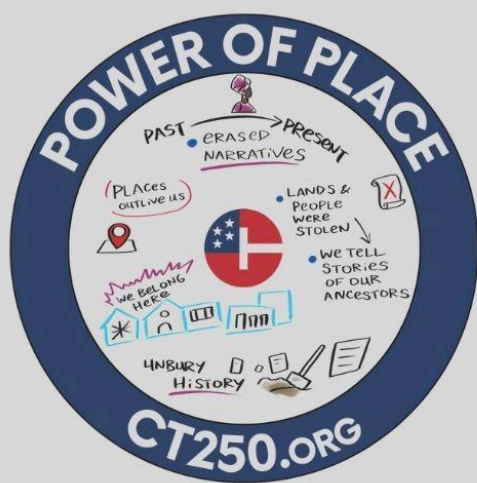

In response to ICE's activities in Minneapolis and across the country—arresting, detaining, harming, and sometimes killing both documented and undocumented individuals and citizens alike, creating an atmosphere of danger and terror—greater Hartford clergy and laypeople are invited to gather on **Friday, February 6, at 11:00 am, in front of the Federal Building at 450 Main Street in Hartford**. We will hold a vigil, praying for a return to sanity, to compassion, to decency, to the respect for the rights and freedoms granted by our Constitution and for the rule of law, to the values that make our country truly great. Clergy of all faiths are invited to attend and offer brief prayers at this peaceful demonstration of the power of kindness over violence, of unity over division, of faith over cynicism, of love over hate. For further information, please contact Rev. Josh Pawelek at [minister@uuse.org](mailto:minister@uuse.org) or Rabbi Donna Berman at [donnab@charteroakcenter.org](mailto:donnab@charteroakcenter.org).

Thank you for your faithfulness in the fight for justice.

Peace,  
Jocelyn and the GHIAA Team

Center Church's History Team is seeking members and community partners who are excited by the long history of Center Church and who are interested in connected to our community near and far through that history.
