### **Blessings, Center Church!**

We all know the story - Jesus and his disciples go to the mountaintop, a thin space, somewhere between heaven and earth.

A brilliant light, an awe-some, amaze-ing sight.

Mundane clothes become dazzling white. On either side of Jesus, their Rabbi, they see Moses and Elijah; the Law and the Prophets. They now fully, completely understand Him, Jesus - Yeshua, God Saves - to be the Anointed One, the Messiah.

Then, a voice from above says, "This is my Son, whom I Love... Listen to Him!"

Bookended by God's Blessing - at baptism and at transfiguration - we see God's Great Epiphany; Salvation has come to Earth.

***And don't forget to come Sunday afternoon for our Gospel House Dance Party!***

Writer and social commentator, Dan Savage, in talking about the AIDS crisis in the 1980s and 90s writes that, "we buried our friends in the morning, we protested in the afternoon, and we danced all night, and it was the dance that kept us in the fight because it was the dance we were fighting for." In times like these, we need dancing more than ever.

Join Center Church, on Feb. 15th as we dance, praise and celebrate that all people are God's Beloved and that is Good News.

**DJ Soul Selektah** will be spinning the beats at this Nxt Thrsdy production; you don't want to miss it!

# From the Property Subcommittee *Winter Updates*

Warm Greetings Center Church,

For the last few months a small group has been meeting together to discuss a plan for addressing the more pressing structural issues related to our two historic properties.

A short but incomplete list we're looking at includes:

- Repairs and Maintenance to the Slate Roof
- Structural and Cosmetic Repairs to the Meetinghouse Roofline
- Drainage and Masonry Repair and Preservation at both properties
- Structural and Cosmetic Repairs to the main entrance of 60 Gold Street
- Water Damage to the south facade, basement ceiling and underground walls of 60 Gold Street

We have completed a survey of the damage with the help of architect Tim Brewer to identify potential Project Managers. We have also begun drafting a Request for Proposal and Qualifications (RFP/Q) to send out to these would-be contractors.

We expect to meet with engineers soon, who can advise and inform us as we move forward. As we move along on the process we will continue to keep the congregation updated. We are currently using Capital Improvement Funds to finance the preliminary stages of our project but as more information becomes available about the full scope and cost of the project, we anticipate fundraising efforts that include grant writing, outside donations and a thorough exploration of other revenue streams.

If you have any interest in joining the Property Subcommittee Working Group, please contact David Maclean or Larry Roeming.

In Faith,

The Property Subcommittee  
*David Maclean, Larry Roeming,  
Andrea Olson & Steven Lewis*

## From the Visionary Team Winter Updates

The Visionary Team has identified three areas for our community to focus on in the coming program year, based on notes from our May church retreat:

- Increase the engagement of children in worship in multiple ways.
- Create a short-term Faith Formation Strategy Team to create a vision for our ministries with children and youth. The group met

and made budgetary recommendations for how to best fund our growing Faith Formation Ministries.

- Start a small group to move forward with exploring the creation of a 501(c)(3) that will help support our ministries with folks in transition. The group continues to meet regularly and hopes to make a presentation to the congregation on their findings and recommendations at the Annual Meeting in March.

Many thanks to everyone who participated in the retreat and provided input and prayers in support of our two priority ministries! There is still time to join one of these working groups; simply email Lesley Morgan Thompson with your interest!

Film will be followed by a ZOOM Discussion with the filmmaker Tara Moore

This film is an important reminder that oppression can happen if we turn a blind eye to its presence. From the onset of settler colonialism to the institutionalization of the Apartheid system, to the struggle for liberation in 1994, and finally to the current state of politics and class in the post-Apartheid world, Legacy offers an eye-opening and unapologetic look at the historical dynamics of this culture. Filmmaker Tara Moore offers complex depictions that shift our understanding of the scope and scale of Apartheid as an ideology and tool of social control.

Center Church's History Team is seeking members and community partners who are excited by the long history of Center Church and who are interested in connected to our community near and far through that history.

To name a few of the local partners with whom we're currently working - Trinity College, Hartford International University for Religion and Peace, the Harriet Beecher Stowe Center for Literary Activism, The Mark Twain House and Museum, Opera CT, Liberty Christian Center International, The Slater Museum in Norwich and of course, the Official Royal House of Sori.

We're also currently exploring partnerships with the Congregational Library and Archives in Boston, MA, Warburton Community Congregational Church in Hartford,

CT, and Temple University.

In the coming months, the History Team will be finalizing its programming for Hartford's celebration of America's 250th Birthday. Center Church and the Teacher's Library are America 250 CT, working closely with the City's ad hoc commission as well as with the Statewide commission and are very excited to be a part of this inventive and expansive definition of what America is and can be for the next 250 years. Watch this space for more information about America 250 CT - Hartford.
